

A “Lift You Up” Free Yacht Charter

Completing chemo, joint replacement, or coping with other serious disabilities might leave you thinking you will never get better.

We don't think so!

Once a month out of Essex Island Marina, Captain Greg Andrew will be providing an invigorating, “Life is Good” charter to the CT River or Long Island Sound.

The Aquila 44 Luxury Powercat “*Thankful*” will provide you with a well-deserved bright new perspective
